Anti cellulite Mud

Anti Cellulite Mud a ancient people realized that all life emerged from the sea.

A unique place called the Dead Sea was one.

From this unique place we have harvested this mineral rich mud.

Mud is not what it appears to be, composed of tiny particles of clay; mud is actually nature's most effective deep cleanser. It absorbs impurities from the skin's pores-down to the last traces. It replenishes the skin with essential minerals for a healthy radiant complexion.

The Dead Sea, the source of beauty secrets. Ginger roots Extract, Horsetail and Guarani seeds Extracts has been added to this mangiest mud to encourage localized warming of the skin. This specie combination of Herbal Extracts and Dead Sea Mud greatly reduces the appearance of cellulite. With repeated use of this magni- cent product the skin becomes visibly smooth, incredibly ram, new, and sleek contours emerge.

Dead Sea Body Mud

Mega Dead Sea Body Mud: 100% Natural mineral Dead Sea Black Mud, the richest mineral mud sourced from the lowest spot on earth (the Dead Sea) which contains many minerals and trace elements. Indulging in this mud will enhance your bathing with healthy, mineralizing, revitalizing, energizing, stimulating properties for the body and soul.

Body Scrub Salt
